Update on Re-opening Plans

It is so exciting to see the re-opening of our world as the rate of vaccinations increase while Covid-19 cases continue to decrease! We look forward to the continued loosening of restrictions under Ontario's re-opening plan.

As stated before, table games including bridge will likely be one of the last activities permitted in the re-opening schedule. Our plan remains the same as safety for our members is our highest priority. We will rely on our local health unit for direction on when we can return to face-to-face bridge. After re-opening, we will maintain a hybrid schedule and continue with BBO games. The Ad-Hoc Committee on Re-opening continues to monitor the situation.

Unit Wide Games

The Tillsonburg Duplicate Bridge Club will be hosting Unit Wide games on the weekend of August 7 and 8.

Two flights (0-500 & Open) of Stratified Pairs games will be held on Saturday and two flights (0-750 & Open) of Swiss Team games will be held on Sunday.

Pairs games will start at 9:30 a.m. and 1:30 p.m. for the 0-500 flight and 9:45 a.m. and 1:45 p.m. for the Open flight on Saturday. Swiss Team games will start at 9:30 a.m. and 1:30 p.m. for the 0-750 flight and 9:45 a.m. and 1:45 p.m. for the Open flight.

Further info on the Unit Wide games hosted by the Tillsonburg Duplicate Bridge Club may be found [here](#).

Change in Masterpoint range for our Thursday morning game

As of July 22nd, the 9:30 a.m. Thursday morning 0-50 masterpoint game is a 0-100 masterpoint game. Tell your friends - if they have fewer than 100 masterpoints and have not yet played in a virtual game, this would be a great place to start. You can find complete instructions on our website [here](#).

If you have any questions, please contact: Audrey Craig audrey-craig@rogers.com or Judy Stirling judystirling0@gmail.com

Profile – Les Wroblewski- Board Member

Where were you born? I was born in Poland.

Where did you go to elementary school? I finished elementary school in Poland.

What was your first job? When I was 15, I started training to be a car repair and maintenance technician. I went to school for three days a week and worked at a car repair facility for three days a week.

What job did you hold the longest in your working career? I started my own business, Woodfield Automotive (car sales and repair) in 1995 and I am still involved in the business on a part-time basis.

In how many cities have you lived? Three: one in Poland, one in Germany and London, Ontario.

What was your best vacation? When the kids were young, we liked to go camping. There was one trip where we drove to the east coast, camping all the way there and back. These vacations will always be close to my heart, especially now that the kids have moved out and have their own families.

How old were you when you first started playing bridge? I started playing bridge in high school back in the seventies. I became more serious about it in the nineties when I was playing duplicate at the David Burke Club.

How did you find LBC? I attended a meeting before LBC opened, but I can't remember how I heard about the meeting. As a bridge player, LBC was a big thing for me.

What motivated you to become a board member? I was asked to become a board member and I accepted. I felt privileged to be chosen over so many good candidates.

What has surprised you most about being a board member? Being a board member has met my expectations.

What have you found most challenging? There can be challenges when there is a difference of opinion among board members. I feel confident with all the board members that we can resolve problems as a group.

What is your favourite part of being a board member? I feel I am a part of the important decisions being made at these meetings and it's nice to see how LBC operates.

What do you like best about LBC? LBC is not privately owned. Every member of LBC owns part of it and can have impact on how to improve the club's operations.

Tell us about your other hobbies. Beside bridge I love skiing in the winter, hunting during hunting season and I train MMA all year long.

What would people be surprised to know about you? I came to Canada in January of 1990, at the age of 31, with two young children (2 and 7), a couple of suitcases and absolutely no English. I took a six-month ESL course at Fanshawe College and then started a new life in a new country and new culture. In 1995, I opened my own business which is still successfully operating now as a family business. I have been living in Canada longer now than I had lived in Europe.

Peter's Lesson

Peter Tuttle

*Be safe.
Be well.*

Hello everyone. Here is a lesson for you.
Entries! Entries! Entries!

After you assess your winners, it is important to determine how to maintain entries to your hand and the dummy so that you are not trapped on the wrong side of the board. Make a plan! Where do you want to take that first trick?

♠	642
♥	K 9 8 6 2
♦	7 3
♣	Q J 9

♠	Q 5
♥	Q J 10
♦	K Q 10 9 2
♣	8 7 4

♠	A 9 8 3
♥	A 7 4
♦	J 6
♣	A K 5 2

♠	K J 10 7
♥	5 3
♦	A 8 5 4
♣	10 6 3

The contract is 3 NT in South.

The lead is 6 H. Now assess.

- You have 5 winners. (1 spade, 2 hearts, 2 clubs)
- You need 4 diamond winners.
- Win the 1st heart with the Ace.
- Now you have entries to dummy with Q & J of hearts.
- You also have access to the diamonds in dummy using a heart.

If you win the first heart in dummy, the opponents can win the second diamond and cut you off from the diamond suit.
