## Swiss - with a Twist! Sunday, August 8

Many players have expressed a concern over the length of games in online Swiss. As well, they are concerned that the ACBL masterpoints awarded in long games are not in synch with the time and effort required. We hope we have come up with a solution that suits more players:

Flighted Swiss Teams will be held over two sessions

### *Format:*

- ♠ Maximum of four matches per session, each session consisting of 20-24 boards, depending upon flight and field size
- ♠ Matches are non-stratified, but opponents with similar records are matched
- ♠ Each session will be scored independently and ACBL masterpoints awarded for each session
- ♠ 4-person teams only
- ♠ Players do not have to play both sessions
- ♠ Enter one or both sessions, as you prefer
- ♠ Team composition may be changed between sessions

### *Prizes:*

At the conclusion of the second session a manual calculation will be made based on total victory points earned per player over the two sessions

- ♠ Top 4 individual players (and ties) in each flight will receive \$25 in BBO credits
- ♠ Players must play both sessions in the same flight to qualify for BBO credits

### *Swiss Schedule Sunday August 8:*

#### Session 1

0-750 Flight	9:30 am
Open Flight	9:45 am

#### Session 2

0-750 Flight	1:30 pm
Open Flight	1:45 pm

### *Pre-Registration for Swiss*

Due to the complexities of setting up Swiss team games pre-registration is required. Please pre-register with Jed Drew at [jed.drew@gmail.com](mailto:jed.drew@gmail.com) before 10:00 pm August 7. In the event of an odd number of teams in a flight the last team registering may be denied entry as the online system does not handle an odd number of teams.
