## **GUEST PARTNERS NOW ELIGIBLE!**

ACBL has relaxed the policy to permit limited play by those who are not members of the host clubs. Effective immediately, players who are members of the London, Tillsonburg, St. Thomas or Chatham bridge clubs may invite a player who is not on our combined BBO roster to play in the LBC virtual club game **as their partner**. A visiting player may play at most once per week in the LBC online games and **must play with a member** of one of the four clubs. Entry fees are the same as for members.

To arrange for the visiting player to be able to register for an LBC game, please contact Bruce Moor at least THE DAY BEFORE **each time your guest wishes to play with you**. Email [bmoor@sympatico.ca](mailto:bmoor@sympatico.ca) (put "Guest Partner" in the subject line) with your name and the visiting player's name, BBO username and ACBL member number (if an ACBL member). Bruce can also be contacted by phone or text at 519-636-9411.

## **WONDER WHO YOUR OPPONENTS ARE?**

Many BBO players have creative user names. When you are playing in our LBC community, it will help us recognize each other if you have entered your real name – or real first name – on your BBO profile. Remember that you can also enter your BBO user name on your Pianola profile.
