**Helen Shields and Erin Berry Rookie-Master Games.** The games are run using computer hands so that players across the country play the same deals, and printed hand analyses, prepared by top Canadian players, are provided. The pair with the best percentage score in Canada is declared National Winners and receives a trophy. The pairs with the top percentage score in each Zone receive a plaque. All club winners receive certificates. A "Rookie" is considered to be a player without much experience at playing duplicate bridge. Although a masterpoint cut off of 50 is used, it is really intended that the under-50 point player be fairly new to the game of duplicate bridge.
