### Survey says....

A big **thank you** to the 206 people who took the time to respond to LBC's survey. An additional tip of the hat to the many respondents who wrote in additional comments and suggestions. The working group volunteers have started on detailed analysis of the responses.

Some overview highlights:

- 97% strongly agree or agree with "Overall I am satisfied with my experiences at LBC."
- 91% strongly agree or agree with "LBC provides excellent value for money."
- 91% strongly agree or agree that LBC has achieved the goal of providing a welcoming, enjoyable and conflict-free environment with games conducted in a spirit of friendly competition.
- 92% of those who attend Bridge Lab or Practice and Play would recommend one of those sessions to friends who play bridge.
- 97% strongly agree or agree that "Lessons and other educational opportunities are a valuable LBC service to its membership."
- 95% strongly agree or agree that "The newsletter provides information that is useful to me."

## Survey Feedback cont'd

The survey also indicates some opportunities:

- 48% were interested in playing more games per week.
- 33% would play more often if partners were available.

The survey asked about interest in changes to the LBC schedule, including some different types of games. While there is still much work to be done to analyze the responses, the least popular was rubber bridge with no masterpoint awards. 83% of respondents said they would never play in that format at LBC.

The working group will complete the analysis in the next few weeks and report to the Board. Following that, we plan to have a townhall meeting to review the results with interested members.

Thank you again to those who responded!  
Al Edwards

## Ask Dwight

If you are puzzled about a hand, email [Ask Dwight](#). Provide the session, board number and your question. Dwight will provide you with helpful tips.

North opens 1NT. East bids 2D. South bids 2S.

### Question:

**Are all systems off?** Surely Stayman is off. But is there a way to transfer to those spades?

For example, South could bid

- 3D - transfer to hearts?
- 2H - transfer to spades?
- 2S - transfer to minors?

Thanks Dwight,

We just completed our annual audit and are pleased to report that the number of books in the Library has increased by over 90 to 980 and includes 582 titles by 175 authors. This growth is thanks to significant donations and LBC purchases in 2018.

About 15% of the membership use the Library, and most follow the procedures properly (**Legible** sign-out is most appreciated). However, once again, we note that the **missing books** have increased by 25 and now **total 92**. We recognize that in the heat of the moment of discovering an exciting bridge book, some members may inadvertently forget to complete the sign-out procedures, so please have a look around your home libraries to see if you have any books with the LBC logo that should be returned. Thanks.
