Important Reminders

Did you know?

JOIN US!

There is a **0 – 50 Wednesday evening game** at the same time as the 0-300 game.

If at least 3 tables of 0-50 players are present, they will form a separate section.
If fewer, they will play in the C strat of the 0-300 game.

The evening is directed by **Peter Tuttle** who provides a lesson at 6:15 for all present. The game begins at 6:30.

There is also a **0 – 50 game on Thursday afternoon** at 1:00.

If you are new to duplicate bridge...

There is a **0 – 20 masterpoint game on Tuesday** afternoons at 1:00 in the small room, directed by **Audrey Craig**. There are only 9 tables available. Come early to ensure a table for 4.

Bridge Lab is held in the large room at 1:00. The afternoon begins with a brief lesson by Bridge Lab leader, **Peter Tuttle**. You play at a relaxed pace; stay at the same table; ask for help from an experienced player. You may come without a partner.

Practice and Play on Saturday mornings begins at 9:30. You may practise newly acquired skills with the support of a teacher. We appreciate the ongoing support of **Reg Young**. **Marie Wiley, Susan Edgar** and **Audrey Craig** continue to support our Saturday morning group.

Thanks to **Judi Carter, Hazel Hewitt, Jane King** and **Barb O'Brien** for encouraging new students throughout the fall months.

Always wondered about playing Bridge?

Do you have friends who you just know would be good at Bridge?

Did you play Bridge at home growing up or at University a long time ago?

You'll nail the basics of bridge in this interactive class that has both instruction and coached play. If you're just starting, returning to the game or wanting to "test the waters" before taking formal lessons, this course is for you. Leave the class and take on a newcomer game!
