Master Your Game

Monday, July 16th

**Thanks to all those who helped plan
and to all who participated.**

We are fortunate to have club members who generously offer their time and expertise to help nurture newer players. They help ensure that LBC is a thriving community. To all those who supported groups at the tables, and to Mike Potter, Dwight Bender and Al Edwards for their organization of the event, a hearty round of applause. Here are a few of the many who enjoyed the evening.
