

London Bridge Centre

COVID-19 PRESCREEN

All persons wishing to attend should pre-screen prior to arrival answering the following questions]¹.

1. Are you currently experiencing one or more of the symptoms below that are new or worsening? Symptoms should not be chronic or related to other known causes or conditions.
 - a. Fever (37.8°C/100°F or higher) and/or chills?
 - b. Cough or barking cough (croup)?
 - c. Shortness of breath?
 - d. Decrease or loss of smell or taste?
 - e. Two or more of the following:
 - i. Runny nose or nasal congestion
 - ii. Headache
 - iii. Extreme fatigue
 - iv. Sore throat
 - v. Muscle aches or joint pain?
 - vi. Gastrointestinal symptoms such as diarrhea or vomiting?
2. In the last 14 days, have you travelled outside of Canada AND been advised to quarantine (as per the federal quarantine requirements)?
3. Has a doctor, health care provider, or public health unit told you that you should currently be isolating (staying at home)?
4. In the last 5 days, have you been identified as a “close contact” of someone who currently has COVID-19?
5. In the last 5 days, have you tested positive on a rapid antigen test or a homebased self-testing?

Any person answering “yes” to one of the above questions may not attend.

Anyone attending who has not pre-screened prior to arrival will be required to be screened on site and must pass the on-site screening.

Revised March 9, 2022
