

London Bridge Centre

COVID-19 PRESCREEN

All persons wishing to attend should pre-screen prior to arrival answering the following questions¹.

1. Are you currently experiencing one or more of the symptoms below that are new or worsening? Symptoms should not be chronic or related to other known causes or conditions.
 - a. Fever (37.8°C/100°F or higher) and/or chills?
 - b. Cough or barking cough (croup)?
 - c. Shortness of breath?
 - d. Decrease or loss of smell or taste?
 - e. Fatigue. Lethargy, malaise and/or muscle aches/joint pain?
2. In the last 14 days, have you travelled outside of Canada AND been advised to quarantine (as per the federal quarantine requirements)?
3. Has a doctor, health care provider, or public health unit told you that you should currently be isolating (staying at home)?
4. In the last 10 days, have you been identified as a “close contact” of someone who currently has COVID-19?
5. In the last 10 days, have you tested positive on a rapid antigen test or a homebased self-testing?

Any person answering “yes” to one of the above questions may not attend.

Anyone attending who has not pre-screened prior to arrival will be required to be screened on site and must pass the on-site screening.
