What's so **COOL** about Bridge?

Bridge is the most popular and exciting card game ever developed. It has been shown to improve concentration and memory as well as judgment and logic. **Bridge is challenging, stimulating, and above all, great fun.**

If you take lessons at the *London Bridge Centre* or read books from our extensive library, you will learn the strategies and intricacies of the game, step by step. As your proficiency increases - and it will - you will experience a sense of great accomplishment.

Bridge is a social game. You will meet wonderful people from all walks of life. Lifetime friendships are often built through bridge.

There are over 50 million players worldwide.
They must be on to something!
